From the Editor: Dig deeper into MEAM topics with live events

Dear MEAM subscribers,

Starting with this issue, MEAM will pair some of its articles with live online events – chats and webinars – to provide additional opportunities for interactive discussion and knowledge sharing on critical topics. MEAM will work with OpenChannels.org and the EBM Tools Network to host these events.

- A webinar on [how social marketing can improve conservation and management outcomes](#) led by Diogo Veríssimo of Rare and Georgia State University will be held on Thursday, March 24, at 1 pm US EDT/10 am PDT/5 pm UTC. You can register for the webinar at <https://attendee.gotowebinar.com/register/2061840860623463169>.
- A webinar on the [use of InVEST for coastal zone management and marine spatial planning in Belize](#) led by the Natural Capital Project and Belize Coastal Zone Management Authority will be held on Tuesday, February 23, at 1 pm US EDT/10 am PDT/6 pm UTC. You can register for the webinar at <https://attendee.gotowebinar.com/register/3731913261291008001>.

And as a reminder, you can learn more about and subscribe for the new e-mail discussion list for ocean planners - the Ocean Planning Community listserv – at <https://www.openchannels.org/community/ocean-planning-community>.

Best wishes for your work,

Sarah Carr
